Assessments

Grade 2-5 students begin their assessments on May 24th. Studies have proven that students perform better when they get plenty of rest and have a good healthy breakfast to start their day. We encourage you to remind your children to get lots of sleep and to have breakfast.

Hot Lunch

The hot lunch program will soon be winding down for another school year. The last day for wraps is going to be on Thursday, May 31st. The last day for pizza will be on Monday, June 4th.

Comments from some students

This week at school was fantastic because we got to play a new game in gym called "Garbage Can." We had to throw rubber chickens into a circle made with mats. I had a really fun time.

Willard – Grade 3

This week at school was awesome because I am learning a lot about division and I am really good at it. It is my favorite thing in math now. I wonder what is next.

Connor – Grade 3
